Power Tool Participation Preference

Please select **ONE** of the options below regarding your child's participation in our summer building projects for the Spring 2027 'District Blitz' fundraiser:

- **YES, full participation.** I give permission for my child to use hand tools and power tools (e.g., drills, sanders) under close adult supervision.
 - **NO power tools.** I prefer that my child **DOES NOT** use any power tools. They may still participate in non-powered project tasks such as hand-sanding, assembly, painting, and design.
-

Liability Waiver & Release

By signing below, I acknowledge that the youth group carpentry projects involve inherent risks, including the use of tools, wood materials, and construction equipment. I agree to release, indemnify, and hold harmless Anchor Point Youth Group, its staff, church leadership, and adult volunteers from any and all liability, claims, or demands for personal injury, sickness, or death, as well as property damage and expenses, of any nature, occurring during this activity.

I certify that my child will follow all safety instructions, wear required safety gear (safety glasses will be provided), and respect the adult supervisors at all times.
